Photographs:

The use of photographs is an important developmental tool which is widely used in play and educational settings for recording, sharing and displaying activities that your children have undertaken. At P2 Kids Club we take the issue of child protection very seriously and we would never knowingly publish an image of your child without your consent.

I give permission for images of my son or daughter to be used for the following purposes:

(please tick for consent)

- Electronic and printed displays and exhibitions at the Club (eg photos of activities)
- Website for Club
- Promotional material for the Club including P2 Kids Club Instagram, Facebook and Twitter pages.

I understand that personal details or names of any child in a photograph will never be given in such a way that would allow them to be individually identified.

I understand that this image will NOT be used for anything which may be viewed as negative in tone or that may cause offence, embarrassment or distress for the child or their parent or carer.

I understand that there will be no payment for my child's participation.
